PRESS RELEASE REGARDING ARPA FUNDS

November 19, 2021

On March 11, 2021, President Biden signed the American Rescue Plan Act (ARPA) into law. Callaway County will receive approximately \$8.6 million. Half of this funding, approximately \$4.3 million, was received in June 2021. The remaining half will be available in 2022.

Callaway County is pleased to announce they have received the first half of their ARPA funds from the US Treasury and are prepared to disburse to entities for expenses incurred due to the COVID-19 pandemic from March 3, 2021 – December 31, 2022.

Callaway County will allocate \$250,000.00 to fund COVID 19 testing at Callaway Hospital in Fulton, Missouri and will allocate \$250,000.00 in funds to each of the six incorporated cities in Callaway County including: Auxvasse, Mokane, Fulton, Holts Summit, New Bloomfield and Kingdom City for infrastructure, sewer, and water projects.

The Callaway County Commission will continue to work on the use of these funds but have until December 31, 2024 to have the funds allocated.
